SOFT SKILLS

- Problem-Solving
- Time Management
- Creativity
- Adaptability
- Collaboration

TECHNICAL SKILLS

- Java
- Python
- Frontend Development
- HTML/CSS
- JavaScript
- Node.js
- React
- DSA Proficiency

SOFTWARE APPLICATIONS

- Video Editing Software Proficiency
- Git & GitHub

VALUABLE COURSES

- Web Technologies
- Python Programming
- Java Development
- Data Structures
- Algorithm Design
- Database Management
- Operating Systems
- User Interface Design

LANGUAGES

English, Hindi

EDUCATION

Bachelor of Technology(B-Tech) in Computer Science	GPA: 8.11
Sharda University	Pursuing
Senior Secondary (Class XII)	
+2 UCHH VIDYALAYN ITIMHA KARMA ROHTAS	2019
High School (Class X)	
BASANT H/S ITIMHA KARMA ROHTAS	2017

WORK EXPERIENCE

Intern, Front-End Web Developer	Jun 2024 - Jul 2024
Technobuds	Sector 105,Noida,UP
<ul style="list-style-type: none">• Designed and developed responsive web applications using HTML, CSS, JavaScript, React, and Vue.js; collaborated with UX/UI designers; participated in Agile processes; conducted code reviews and debugging	

PROJECTS

- **Fingerprint Attendance System:** Conceptualized the project and oversaw development from inception to deployment. Integrated biometric sensors with software applications to archive accurate attendance data.
- **Sign Language Detection System:** Collaborated in algorithm design for accurate gesture recognition. Assisted in developing frontend components for real-time sign language detection and display.
- **Netflix Clone Project:** Mirrored complex web interfaces with attention to detail and design aesthetics. Utilized JavaScript to simulate backend interactions and dynamic content loading.

AWARDS & ACHIEVEMENTS

- Successfully designed and developed responsive web applications using HTML, CSS, JavaScript, React, and Vue.js; collaborated with UX/UI designers; participated in Agile processes; and conducted thorough code reviews and debugging.
- Published 3 research papers on software development topics in renowned international conferences.

CERTIFICATIONS

- **Java Programming Masterclass**
Udemy 2022
- **Web Development course**
