Professional Summary

Aspiring Frontend Developer skilled in React.js, JavaScript, HTML5, and CSS3. Experienced in building responsive and user-friendly web applications. Strong foundation in data structures and algorithms with a passion for clean, efficient code. Eager to contribute to development teams and continuously enhance technical skills.

Education

Sharda University Greater Noida UP.

Bachelor of Technology in Computer Science Engineering.

Related Courses: Data Structures and Algorithm, Web Technology, Database and management System.

Aug 2021-May 2025

CGPA: **8.1**

Skills

-
- Languages JavaScript, HTML, CSS, Java
 - Framework React JS, Tailwind, Bootstrap.
 - Databases MongoDB, MS SQL, MongoDB Atlas
 - Core concept Data Structures and Algorithms, Object-Oriented Programming.
 - Tools Git, GitHub, VS code, Vercel, Render

Work Experience

Technobuds- Web Developer Intern

Internship May 2024 - Oct 2024

- Learned and applied HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, and React.js.
- Created a personal web project to practice frontend development skills.
- Understood the basics of responsive design, component-based architecture, and version control using Git.
- Attended mentor-led sessions and followed self-paced learning modules.

Projects

React Food Recipe website

- Built a dynamic recipe web app using React.js with 500+ categorized meals and API integration.
- Implemented advanced search functionality to filter recipes by ingredients and dietary preferences.
- Focused on responsive design, user-friendly UI, and efficient state management for seamless user experience.

Achievements

-
- Published 3 research papers in reputed international IEEE conferences:
 - Enhancing Sign Language Detection: Improved communication accessibility through advanced detection techniques.
 - Revolutionizing Transportation Systems Using Artificial Intelligence: Explored AI-driven optimization in modern transport.
 - Highway-Situated Medicine Vending Machines: Proposed automated solutions for emergency medical aid in remote areas.
- Awarded a merit-based scholarship for academic excellence, maintaining a high GPA throughout the academic year.

Certifications

-
- Java Programming Masterclass Udemy. Web Development course Udemy
